

Kettering School Song

Chorus

Kettering, Kettering
We are the kids from Kettering
We're going to jump!
We're going to shout!
We're going to tell the world what it is all about.
We'll learn how to read, learn music and math.
In Running Club, we're on the right path.
We'll study science and social studies.
We do all this, Classically!

Chorus

We love Long Beach, we care about you
Your people, parks and libraries too.
We'll make a difference, tomorrow you'll see
Make a great world for you and me

Chorus

Helping each other, at work and at play
Showing respect, it's the only way
To get along, it's important to say
I like you that way KID - you're OK!
